Subject: Board of Education - Letter of Interest
Attachments: ChristinaWilliams2018.doc

Mr. Petrone,

This letter serves as my letter of interest in filling the vacant Peter Larson seat on the Board of Education. I would be honored to serve our great city in continuing the improvement in excellence in education and ensuring adequate resources are appropriately distributed to best serve our students. My unique industry experience can help provide perspective on future employment needs and skills. My involvement with volunteering in the classroom gives first-hand experience to the challenges experienced by the dedicated and talented staff. In addition, through continued involvement in the class, I have witnessed first-hand the growth and development of many students, not just academically. In addition to my desire to serve, I have a personal vested interest in the continued improvement and readiness of our students to enter the workforce, with 3 children under the age of 5 (and 1 more which is imminent) all are/will be attending Coventry public schools.

At this point, I plan to be in attendance at the June 13th meeting. However, delivery of our fourth child is imminent. I will notify you directly upon admission.

Lastly, it would be an honor to aid in the continuation of the growth of our school system.

Thank you,

Chrissy
